8:30-8:45 **President's Welcome and International Leica Society Update**

8:45-9:45 **Introduction of Attendees**

During this hour, we take time to introduce ourselves to one another; a great way to break the ice. We are encouraging attendees who have been to a prior Spring Shoot to pair up with a newcomer and share your experiences throughout the program.

9:45-12:00 **Shooting Assignment with David Spielman (Greer Rising & Mike Davis Photo walk leaders)**

As we all know photography is a great educator! It puts a face on everything from poverty, war, disasters, birth, death, and everything in between. It isn't just about the equipment; good photographers know how to look. If you don't look, you won't see and if you don't see it, how can you take a picture of it? Enhance your looking/seeing skills as program chair, David Spielman gives us a Spring Shoot assignment and tips for great shooting in downtown Colorado Springs.

12:00-1:15 **Lunch on your own**

1:15-2:15 **Project-Based Work with Reed Pike**

Join awarding winning photographer, Reed Pike in an exploration of how project-based work can inject new challenges and insights into your photographic work. Reed will show us how the discipline of a project focuses your vision on a single subject or group of subjects, requiring you to use all your knowledge and skills and to dive deep into your creativity.

2:15 **Meet in the hotel lobby for bus pickup**

2:30-5:30 ***Photo Excursion - Garden of the Gods**

A short bus ride will take us to the magical Garden of the Gods paradise. During this self-guided exploration, you will be able to photograph dramatic views, 300' towering sandstone rock formations against a backdrop of snow-capped Pikes Peak and brilliant blue skies. Or you can visit the world-class Visitor & Nature Center and museum, the most visited attraction in the region. If you get hungry, delight in one of Colorado's most photographed views while eating in a glass-enclosed café or from a terrace overlooking Pikes Peak and Garden of the Gods. *(please see note at bottom of page).*

6:00 **Dinner on your own**

8:00 PM **Special Event & Open Bar: Red Dot Forum Camera Talk (In Person!) with David Farkas, Josh Lehrer & Jose Rovira**

Join Leica experts David Farkas, Josh Lehrer & Jose Rovira for their first “in person” episode of Red Dot Forum Camera Talk at the LHSA Spring Shoot in Colorado Springs. The topic of this live panel discussion will be “The Intersection of Leica Modern & Vintage”, featuring an overview of Leica’s current product

portfolio and how it can be utilized with many items from Leica's extensive back catalog of cameras, lenses, and accessories. This special presentation is exclusive to LHSAs and the only way to catch this "episode" is in-person at the Spring Shoot!

**The excursions to Garden of the Gods and Pikes Peak involve some physical activity at high altitudes. If you have any health concerns that are related to this, please choose a photo walk around town instead - there's plenty to see and photograph near the hotel. We want everyone to be safe and healthy.*

Garden Of The Gods Park

Park Hours: May 1 to October 31: 5am-11pm / November 1 to April 30: 5am-9pm
 Call 719-219-0108 for park information.

Park Programs:

Nature Walks: Daily 10am and 2pm. Park naturalists will take you on a 45-minute walk exploring the geology, history, flora and fauna of the Park. Walks are conducted on various trails throughout the park. Check at the Visitor Center for more information.

Nature Talks: Park naturalists also present short interpretive programs. Check at the Visitor Center for times and locations, or call 219-0108 for more information.

Living History Tour: The Rock Ledge Ranch offers a tour that introduces the history and people of the Pikes Peak Region.

Enjoy One of the Many Trails:

Hiking, biking, and horseback riding offer unique views and experiences of the Garden. Please keep in mind that due to the highly erosive soils in the western portion of the Park, mountain biking is permitted off-road ONLY within the designated mountain bike area (generally east of Ridge Rd and south of Gateway Rd). For everyone's safety, please remember trail etiquette on any trail system.
